PLANNING FOR THE 2016 NATIONAL JAPAN BOWL

The following information will help you plan and budget for the 2016 National Japan Bowl:

Arrival Time: Registration will begin at 3:00 pm on Thursday, April 14, 2016. The competition will end by 5:00 pm on Friday, April 15. Room check-in time at the National 4-H Youth Conference Center is 3:00 pm.

Early Arrival and Late Departure: Provided lodging rooms are available at the National 4-H Youth Conference Center, participants may arrive on Wednesday, April 13 and stay until Sunday, April 17. (Be sure to apply early!)

Cultural Activities: There will be Japanese cultural activities at the National 4-H Youth Conference Center on both evenings, April 14 and 15. The National Cherry Blossom Festival Parade is 10 am to noon on Saturday, April 16, 2016. The Sakura Matsuri - Japanese Street Festival is 11 am to 6 pm on Saturday, April 16 in Washington DC (the location will be announced later.).

Fees: Participation fees have been raised slightly because of increased expenses:

- A non-refundable \$60 application fee for each team that registers.
- A \$60 registration fee per student is to help pay part of the cost of meals, cultural activities, and other expenses during the Japan Bowl. Students also will receive the Japan Bowl T-shirt and a free ticket (value \$10) to the Sakura Matsuri.
- There is an optional fee of \$60 fee for each chaperone/teacher/family member/friend who wishes to observe the Preliminary Round competition and participate in cultural activities. They will receive three meals and the Japan Bowl T-shirt. Guests also will receive a free ticket (value \$10) to the Sakura Matsuri. **If a team applies before the early bird registration date of December 4, the \$60 fee for one teacher will be waived.**

Lodging: Out-of-town participants may arrange their own lodging in the Washington area. However, everyone is encouraged to stay at the National 4-H Youth Conference Center. Room rates are based on the number of people in the room. If 4 persons stay in a room, the charge is \$46 per person per night; if 3 persons, it is \$56 per person; if 2 persons are in a room, it is \$73 per person per night. A single is \$140 per night.

Meals: The \$60 participation fee includes three meals: dinner on April 14 and breakfast and lunch on April 15.

If participants, chaperones, and family members come earlier and/or stay later, they may purchase meal tickets in advance from JASW to eat at the National 4-H Youth Conference Center. The costs of meal tickets to eat at the 4-H Center are \$11 for breakfast; \$15 for lunch; and \$17 for dinner. They may be ordered at the same time you submit your lodging requests (February 5 deadline). Tickets also can be purchased on-site from the 4-H Center staff.

Those who arrive early and stay later may also eat on the outside. However, the National 4-H Youth Conference Center is in a suburban location, and there are few dining facilities within walking distance.

6.0 2016 National Japan Bowl Schedule (Tentative)

1.0 Participation in the Japan Bowl - Who is Eligible?

1.1 Levels

The National Japan Bowl is open to full-time students who are currently enrolled in levels II, III, and IV Japanese language classes at a high school in the United States, whether in normal or block schedule classes. These levels correspond to the equivalent level of high school Japanese language study:

- Level II Students enrolled in second year high-school level Japanese language study
- Level III Students enrolled in third year high-school level Japanese language study
- Level IV Students enrolled in fourth year high-school level Japanese language study or in AP Japanese

Please note that these levels are based on the course level, and not the number of years that a student has studied Japanese in high school. For example, a high school sophomore who began Japanese language study in elementary or junior high school might be studying with high school seniors in Level IV and therefore would be eligible for the Level IV team. However, that student cannot participate as a member of a Level II or Level III team, because that is below his/her current level of study.

1.2 Team Formation

- a. Each school may send only one team at each level.
- b. All team members must be formally studying Japanese at the same high school.
- c. A team must consist of two or three students. One student is not a team. The NJBC strongly encourages schools to form a team of three students instead of two.*

1.3 Student Eligibility

The following rules about Japanese language education and experience govern eligibility:

- a. Students who are native speakers of Japanese or who use Japanese at home are not eligible to compete.
- b. Students who have spent more than a total of three months in Japan on a study or home-stay program or who have had other significant exposure to Japanese language and/or culture outside the high school curriculum are not eligible to compete.
- c. Participation is permitted at one level higher than the student's current high school level of Japanese studies, but is not permitted at any level lower than his/her current level.

* A Japanese kotowaza says, "Sannin yoreba, Monju no chie / Three people together have the wisdom of Monju."

- d. If a student participates in the Japan Bowl at one level higher than the one at which he/she is currently enrolled, that student will not be able to participate in a future Japan Bowl at the same or a lower level.
- e. Students taking the AP Japanese Language and Culture course are eligible to apply at level IV.

1.4 Chaperones

- There must at least one adult chaperone per school who is 21 years of age or older. Usually the students' Japanese language teacher serves as the chaperone, but there is no requirement that the chaperone should be the teacher.
- Each team may have its own chaperone, or one adult may be the chaperone for two or all three teams.
- Chaperones are responsible for the well-being of her/his student(s) throughout the time that they are in Washington DC. They must be present with the students at the National 4-H Youth Conference Center throughout the time of the competition.
- Chaperones should read the terms of the *Chaperone Agreement* and then sign it. (See Section 2.2 below.)

At the time of registration, all chaperones will be asked to present a valid government-issued photo ID such as driver's license or passport and will be asked to again sign the *Chaperone Agreement* in the presence of an NJBC official.

- If a chaperone is not present at registration or any of the rules about chaperones are not followed, the team will not be able to participate in the competition.

2.0 Applying for the Japan Bowl

2.1 Assembling Your Application Package

- As noted in Section 1.2, the NJBC will accept one team application per level, per school.
- Please enclose each team's forms and payment in a separate envelope. For example, if a school sends three teams to the Japan Bowl (one at each level), then the cover sheets, applications, forms, and payment should be contained in three separate envelopes, one for each team. (In order to save money on shipping by USPS, FedEx, UPS, etc. it is OK to place the separate team application envelopes inside one larger envelope when you send the forms to us.)
- Be sure to indicate the school name and team level on the outside of each envelope.
- All forms must be original. No copies or faxes will be accepted. Please do not staple any forms. Please type and/or print clearly.

- All materials submitted to the NJBC become the property of JASW and will not be returned. NJBC strongly urges applicants to make copies of all materials submitted.

2.2 What Goes In Each Team's Application Package?

A complete application packet must contain all of these items, assembled in the following order:

1. **The Application Cover Sheet**, which must be signed by the students' Japanese teacher or advisor
2. **Student Agreement Forms**, one for each student on the team, with each form signed by the student and his/her parent or legal guardian
3. **Student Eligibility Questionnaires**, one for each student on the team. Each form must be signed by the student, his/her parent or legal guardian, and his/her Japanese teacher. Be sure to answer all questions; failure to do so will delay NJBC approval. (See footnote below.)*
4. **Chaperone Consent Forms**, in which the parent or guardian of each student gives permission for the Chaperone to accompany his/her child.
5. **Chaperone Agreement Form**, signed by the team's chaperone.
6. **Signed Code of Conduct for the 4-H Center**. Everyone who comes to the Japan Bowl - students, teachers, chaperones, family and friends - must sign the Code of Conduct, indicating that they understand and will follow the 4-H Center policies. Local area participants from DC, Virginia, and Maryland also must sign the Code of Conduct, even if they are not staying at the 4-H Center.
7. **Payment Cover Sheet, together with check(s) payable to "JASW" or "Japan-America Society" for the application and registration fees**. There is a \$60 non-refundable application fee per team, a \$60 registration fee per student, and the optional \$60 fee per teacher/chaperone/family member. Please write your school name and level on the memo line of each check. To lessen the burden during registration, please write as few checks as possible.

2.3 Submitting Your Forms

* Misrepresentations and/or other irregularities on an application form which become apparent at the time of registration or during the competition may result in the disqualification of the student and possibly his/her team members. Depending on the severity of the infringement, the NJBC may also prohibit the student(s) and possibly the entire team or school from participating in the National Japan Bowl at any Level in the following year. We therefore ask students, parents/guardians, and teachers to take an active role in the application process to ensure that there are no errors or misunderstandings. When in doubt, please contact the NJBC by email at japanbowl@jaswdc.org.

- ***Please double-check to make sure that all applications have been filled out completely -- and signed. We often have to contact schools because vital information is missing, or forms have not been signed.***
- All application packets must be **received** (not postmarked) by JASW's Washington DC office by 5 pm (EST) on Friday, January 15, 2016. Late applications will not be considered.
- JASW recommends that you send entries by certified US mail, Fed Ex, UPS, etc. in order to track the package and have proof of delivery.
- In order to save money on shipping by USPS, FedEx, UPS, etc. it is OK to place the separate team application envelopes inside one larger envelope. Be sure to indicate the school's name and address on the outside shipping envelope.
- Send the completed application packet to:

Japan-America Society
 ATTN: National Japan Bowl
 1819 L Street, NW
 Level B2
 Washington, DC 20036
 (T) 202-833-2210

- The JASW building is closed over the weekend, so the shipping label should indicate that delivery must take place during business hours, Monday-Friday.

2.4 Team Approval and Registration Confirmation

- After receipt, NJBC will screen all applications to determine each applicant's eligibility and ensure that all team packages are complete.
- NJBC will send an e-mail to any teacher whose team's applications are in question. All responses to NJBC questions must be made in writing, either through email or fax before Friday, January 22.
- NJBC will accept all qualified teams, provided space is still available in the competition rooms. Teams will be accepted in the order that they submitted their fully-completed application, until the competition room seating limits are reached.
- After screening, NJBC will notify teachers by email of their team's registration confirmation. A confirmation packet also will be mailed to the teacher. The packet will include information on lodging and transportation.

- If you have not received the confirmation packet by February 1, please contact JASW immediately.
- **DO NOT make any travel arrangements that cannot be refunded until you receive the confirmation notice from NJBC.**

2.5 Substitution of Students after Team Approval

- After teams have been notified of their acceptance and registration, substitutions will be permitted only if a student becomes ill or there is some other valid reason.
- All substitutes must meet the same eligibility requirements. Therefore, the required application forms for the proposed substitute must be submitted to the NJBC for review.
- The NJBC decision whether to accept a substitute is final. If a substitution is not permitted, the team may compete with two students - but not with just one.
- If a student withdraws and is not replaced, JASW will refund the \$60 student registration fee upon request.
- The NJBC will not consider applications for student substitutions after Friday, March 18, 2016, except in extreme circumstances.

2.6 Substitution of Chaperone(s) after Team Approval

- If the team's designated chaperone changes, a new Chaperone Agreement, signed by the new chaperone, and new Chaperone Consent Forms, signed by the parent/guardian of each student, must be submitted.
- The deadline for chaperone substitutions is Friday, March 18, 2016.

3.0 Travel Information

3.1 Lodging

There are three options for lodging in the greater Washington DC area.

Option 1

Stay at the National 4-H Youth Conference Center. There is no tax or service charge. Room rates are based on the number of people in the room. If 4 persons stay in a room, the charge is \$46 per person per night; if 3 persons, it is \$56 per person; if 2 persons are in the room, it is \$73 per person per night; and a single is \$140 per night. The 4-H Center states that adults (18 years and older) may not room with youth (except members of their immediate family) unless the Center is provided a notarized letter from the youth's parent or legal guardian granting permission for a designated adult to stay in the youth's room. See Section 3.2 below for further information about the Center.

Option 2

You may arrange other accommodations in the Washington DC area. If you stay at another hotel in Washington or in the Maryland or Virginia suburbs, you will have to pay room tax. In addition, you will need to find transportation to the 4-H Center; the nearest METRO (subway) stop, at Friendship Heights on the Red Line, is 1.7 miles away.

Option 3

The Society does not plan to organize host family accommodations in 2016. However, should a school be in an extreme need of a host family, please contact the Society no later than January 31, 2016. The Society occasionally receives offers from its American and Japanese members who would like to host Japan Bowl students -- but there is no guarantee that we will be able to find a host family.

3.2 Meals

The participation fee includes three meals at the National 4-H Youth Conference Center: dinner on April 7 and breakfast and lunch on April 8. If participants, chaperones, and family members come earlier and/or stay later, they may purchase meal tickets in advance to eat at the National 4-H Youth Conference Center, or they may eat outside. However, the 4-H Youth Conference Center is in a suburban location, and there are few dining facilities within walking distance. For those who arrive early and/or stay later, the costs of meal tickets to eat at the 4-H Center are \$11 for breakfast; \$15 for lunch; and \$17 for dinner. They may be ordered at the same time you submit your lodging requests (February 7 deadline).

3.3 Information about the National 4-H Youth Conference Center

3.5 Information for Local Washington DC area students

- For those who drive, there is ample parking at the National 4-H Youth Conference Center.

- For those who take the METRO, the Friendship Heights station on the Red Line is 1.7 miles from the National 4-H Center. Both Metrobus and the Montgomery County bus system (called "RIDE-ON") have busses from the station to the 4-H Center.

3.7 Information for Friends and Family Members

- Family members and friends are invited to join the students at the 2016 National Japan Bowl. Family members and friends who wish to observe the Japan Bowl must submit a Friends and Family registration form, which is due February 5, 2016.
- Friends and family members also are welcome to join the students at meals at the 4-H Center, participate in cultural activities, and receive the official Japan Bowl T-shirt, provided they submit a \$60 fee per person together with the "Friends and Family" registration form. Both the form and payment must be received by February 5, 2016.
- Provided space is available at the National 4-H Youth Center, friends and family members may apply for rooms, using the same hotel reservations application that will be sent to schools after team approval. The deadline for submitting the hotel reservation form is the same as for team members and chaperones, which is February 5, 2016.

4.0 Registration

4.1 Registration Procedures on April 7

- Registration will be conducted from 3:00 to 5:00 pm on Thursday, April 14 in the Missouri Room of J. C. Penney Hall, the main building (on the cover of this Guide) at the 4-H Center.
- Registration will be conducted by school, not by team. Therefore, all team members and chaperones from the school must be together at the time of registration.
- The chaperone(s) must present a government-issued photo ID (such as a driver's license or passport) and re-sign the chaperone agreement form at the time of registration.
- Regardless of whether they are staying at the 4-H Center or not, family members who have paid the optional \$60 fee for meals, participation in cultural events, etc. also should come to the registration desk between those hours to receive their meal tickets, Japan Bowl T-shirt, etc.

5.0 Rules of Conduct

5.1 Dress Code

All participants are expected to dress in an appropriate manner.

- Participants may wear their official 2016 Japan Bowl T-shirts during the competition.
- For boys, slacks and collared shirts are **required**. Shirts must be tucked in.
- For girls, dresses, skirts, blouses, and slacks are **required**.
- **Please note: No jeans, shorts, T-shirts (except for the official 2016 Japan Bowl T-shirt), tank tops, caps, hats or head coverings (except for religious wear), athletic attire or sneakers, miniskirts, bare midriffs, or flip-flops are permitted during the competition (preliminary, conversation, and championship rounds). Team members who are not dressed appropriately may be asked to leave the competition room.**
- Students may dress as appropriate during their free time at the 4-H Center. (However, see the 4-H Center Rules of Conduct in Section 5.3 below.)

5.2 Grounds for Disqualification

- Challenging or showing lack of respect to Japan Bowl officials, staff, or volunteers by either a student, teacher, or chaperone
- Inappropriate dress (see Section 5.1)
- Use of offensive language
- Substantial violation of the rules of the National 4-H Youth Conference Center

NJBC has the sole right to determine, in its own judgment, whether any action requires disqualification.

Misrepresentations and/or other irregularities on an application form which become apparent at the time of registration or during the competition also may result in the disqualification of the student and possibly his/her team members.

Depending on the severity of the infringement, the NJBC may also prohibit the student(s) and possibly the entire team or school from participating in the National Japan Bowl at any Level in the following year. We therefore ask students, parents/guardians, and teachers to encourage appropriate behavior, in order to ensure that there are no misunderstandings.

5.3 National 4-H Youth Conference Center Code of Conduct

For the safety of its visitors, the National 4-H Youth Conference Center insists that all groups adhere to its **Code of Conduct**, which outlines its alcohol-free policy, as well as other important rules. Following is the Center's Code of Conduct. The Center states that adult chaperones and group leaders are responsible for enforcing the Code. Adult chaperones and

group leaders are responsible for enforcing the rules as stated. Violators may be asked to leave or sent home at their own expense. These rules are not subject to interpretation, and each group is expected to follow them without exception. Our primary consideration is to provide a safe, secure environment for all our guests.

- The National 4-H Youth Conference Center is an alcohol-free facility. Possession or use of alcoholic beverages or illegal drugs is prohibited. This includes the grounds and streets surrounding the National 4-H Youth Conference Center. In addition, public intoxication is illegal in the State of Maryland and is punishable by law.
- Possession of sexually explicit materials is prohibited. In addition, the computers in the Cyber Café may not be used to download, create, receive, forward, or transmit inappropriate, offensive, or sexually explicit communications.
- Smoking or using other tobacco products is prohibited in all buildings, meeting rooms and guest rooms. Smoking is permitted in designated outdoor areas only.
- Fireworks are prohibited in the State of Maryland and at the National 4-H Youth Conference Center.
- Lighting of candles and incense are prohibited in all buildings, meeting rooms, and guest rooms.
- No pets or animals are allowed, except for trained guide dogs.
- Shirts and shoes are required inside all buildings at all times.
- Guests must respect personal public property. Repair costs for damages incurred to property will be billed to the group responsible for such damages.
- A zoning law requires that there be no "organized" programs or activities after 11:00 pm, Monday through Thursday and after midnight on Fridays and Saturdays. Guests are asked to refrain from making noise in common areas and sleeping rooms between the hours of 11:00 pm and 7:00 am. Facility curfew is 11:00 pm Monday through Thursday and midnight on Fridays and Saturdays, which means visitors need to be in their rooms at these times.
- Exterior doors on campus are locked at 5:00 pm, 8:00 pm, or 11:00 pm (depending on the location and scheduled activities) each evening in order to provide a safe environment for our guests. Exterior doors are unlocked at 7:00 am each day.
- Vending and selling merchandise is prohibited in public areas and to others outside your own group membership.
- All food and beverage consumed on the property, in meeting rooms and other public areas must be ordered and/or purchased through the National 4-H Youth Conference Center.
- You may not bring your own food.
- Before or during checkout, guests must pay for all incidental charges.
- To protect the safety of Center guests, no fraternization is allowed in participant's lodging rooms. Any participant who has a complaint regarding fraternization should contact his or her group coordinator.
